Dear Brothers and Sisters in Christ,

Today's Solemn Feast marks the end of the church's year. Next week is the First Sunday of Advent and only a few weeks until Christmas. This week is also the celebration of Youth Sunday so we pray especially for the future generation, the young people of today.

Please note that the 10 a.m. Mass today is being streamed. It is the first stage of setting up a new system so please bear with us regarding the quality and technique over the next few weeks. The streaming will be through Zoom and details of how to connect up are on the website and the hand out given at Masses. Thank you to all who have given their support. Its long term future will no doubt be dictated by the hierarchy of the Church and need.

God bless and take care,

Father Anton s.c.j.
