Dear Brothers and Sisters in Christ,

We begin this week with the sad news of the deaths of two students at St John Fisher Academy. We pray for the repose of their souls and also the support of the community around them and the consolation of Jesus for their family and friends. Eternal rest grant unto them O Lord.

As we progress through present circumstances of caution, I have been asked about live streaming. At this moment in time I have a technician working on the project and hopefully we will have it up and running for Advent. There have been both practical problems and ethical questions needed to be looked at. Hopefully we are getting there!

Once again may I remind you of the small Winter Fayre now due. Prizes are most welcome and if you can take a few raffle tickets to help raise funds for the church and school.

Meanwhile stay safe and be careful with the fireworks etc.

God bless, **Father Anton s.c.j.**
